

MOTOR VEHICLE

VENUE:

Stoke On Trent College, Burslem Campus

DURATION OF COURSE:

1 year

ENTRY CRITERIA :

- A real interest in the subject area
- A willingness to complete practical and written tasks
- An interview and assessment to confirm suitability for the course
- Agreement to the learner ABC agreement and acceptable mobile phone use policy

BRIEF DETAILS OF COURSE:

This qualification is for young people who may be interested in a career in the Motor Vehicle industry. It is particularly aimed at 16-18 year olds and provides the learner with basic skills in different areas of the industry with a focus on motor vehicle maintenance. There will be a variety of interesting practical units including; the technology and maintenance of Motor Vehicles, team working, health and safety at work and the safe use of tools, machinery and equipment in the motor industry.

Boots and Overalls are an essential requirements for this course.

MATHS AND ENGLISH

All courses will include Maths and English. This part of the course will help you to improve your Maths and English skills—Your friendly and experienced tutor will make sure the course uses everyday experiences relevant to you.

HOW WILL I BE ASSESSED

There is no final examination—you will be assessed by carrying out practical assessments and you will learn through a combination of theory sessions, observation of practical tasks and internal and external moderation.

PROGRESSION ROUTE

Once you have completed the course you might want to move onto a higher level study programme, a full time course or Apprenticeship course at Stoke on Trent College.
